Tewksbury Master Plan Update

The Tewksbury Planning Board invites the public to attend a Master Plan Update Open Forum on Wednesday, October 15, 2014 at 7 pm at the Tewksbury Senior Center at 175 Chandler Street. The Planning Board's consultant, Judi Barrett from RKG Associates, will be on hand to lead the attendees through a discussion of the 2003 Master Plan accomplishments and what should be the focus of updating the Master Plan.

This is the public's opportunity to have a voice in setting the goals for Tewksbury's future. All are welcomed to attend and encouraged to participate in this worthwhile event. The results of this meeting will set the foundation for the Master Plan update.

It is anticipated that the update will take a few months to complete and will incorporate input from the Town's boards, committees, and commissions as well as the public. The update will also include elements from the Town's Open Space and Recreation Plan, Affordable Housing Plan, Historic Survey, and Economic Development Self-Assessment Tool.

Looking forward to an engaging evening regarding Tewksbury's future on October 15th at 7 pm.
