

Tewksbury's 7th Annual Zero Waste Day will be held on Saturday, September 26th, from 9am-1pm in the Wynn Middle School parking lot. Please help us to spread the word about this fantastic drive thru donating and recycling event by *forwarding* the attached flyer to your friends, neighbors and any community groups to which you belong. *Reminder: You need not be a Tewksbury resident to participate. All are welcome!*

Do you live in a high visibility area? We are seeking locations to post 100 new ZWD lawn signs from Sunday, September 20-27. (We deliver and pick-up.) If you live in a high visibility area and would like to host a sign for one week, please reply to this email and include your name and street address. We will select the best locations and confirm your participation via email. (We are especially in need of more South Tewksbury coverage.)

No Hazardous Waste! Please note that hazardous waste materials are NOT collected at ZWD. Tewksbury residents are asked to dispose of all hazardous items at the Minuteman Household Hazardous Waste Facility in Lexington. They are open to the public one day each month from April thru November. The next collection date is Sunday, September 13th, from 9am-2pm. Please visit this [link](#) for more information.

Facebook Users: Please **LIKE** our page at [Zero Waste Day, Tewksbury](#) thru this [link](#) and **RSVP** to our [7th Annual Zero Waste Day](#) event thru this [link](#). We now have more than 500 **LIKES** and 83 people have responded **YES** to our event invitation! (Last year, just under 600 participated!)

Our ZWD website is available all year at www.zwdtewksbury.org. Check out our *Share Your Stuff* and *Go Green* pages for up-to-date contact info of local organizations that will gladly accept your donations of gently used items or your items to be recycled. And, if you know someone in a neighboring community that might be interested in coordinating their own ZWD, please point them to our *PLAN YOUR OWN ZWD* page which provides a 6 month step-by-step planning guide and sample marketing materials.

Want to get involved in Zero Waste

Day? Sponsorship? Volunteering? Donations? Check out our *Community Involvement* page thru this [link](#) to see the variety of opportunities available. ZWD is coordinated by the [Tewksbury Recycling Committee](#) and [Tewksbury Congregational Church](#) but it's success is attributed to the kindness and generosity of its sponsors, supporters, participating non-profits, and the 75+ volunteers that make drive thru donating and recycling fun and easy.

Thank you for your support of Zero Waste Day!

Warmly,

Beth McFadyen and Loretta Ryan
Zero Waste Day Coordinators

Saturday, September 26, 2015

9am-1pm, Wynn Middle School Parking Lot

1 Griffin Way (off of Victor Drive), Rain or Shine

Last year, nearly 600 drive-thru donors participated in our 6th Annual Zero Waste Day, saving tons of usable items from Tewksbury's waste stream *and* putting those donations into the hands of local people in need. We also recycled 20K+ lbs. of electronics, tires and more.

Take some time to clean out your closets, basements, attics and garages, and enjoy a short drive to the Wynn Middle School parking lot where volunteers will unload your vehicle and ensure that your items reach the right donation or recycling truck. Spread the word!

*If you would not share it with a friend,
please don't bring it to Zero Waste Day.*
