

Water Rules and Regulations

Section 9.2

Below “Street and Sidewalk Opening Permit, Physical Alteration Permit shall be applied for and paid separately.”

Add “Trench Permit, Pursuant to G.L. c. 82A §1 and 520 CMR 7.00 et seq.(as amended) shall be applied for and paid separately. Trench Permit fees will be waived for instances where the 2008-2012 Water Meter Change Out Program requires a new service line, based on a Water Service Assessment form. This waiver expires one year after the property owner has received a certified letter, from the Public Works Department, indicating that they must have their service line replaced.”
