**Attach the following documents:**

1. "Workers Compensation Insurance Affidavit: General Business"
2. Workers Compensation Insurance Binder with your company name and address included
3. **NEW APPLICATIONS SHALL BE ACCOMPANIED BY:**
  - A plan shall be submitted to keep on file with the Health Department showing the approved location of the container in relation to other dwellings and the business being serviced. (The Plan must be drawn to the scale of  $\frac{1}{4} = 1'$ . The plan must show lot lines, all water ways within 100 feet of proposed dumpster location.
  - The location must be approved by the Health, Fire, Engineering, and Conservation Departments.

**All containers must follow the Tewksbury Board of Health Chapter 7: Dumpster Regulations adopted April 7, 2011.**

**NOTE:** Dumpsters must be placed on an impervious pad (i.e. asphalt or cement) of a minimum of 4 inches thick. All containers must be enclosed on all four (4) sides with a fence and a door for servicing the container. The enclosure must be a minimum of six (6) feet in height. **Containers shall not block emergency accesses or egresses. No container shall be located within the Town right of way, roadways without the approval of the Tewksbury Police Department and Department of Public Works. The location of the container must be located at a distance from the lot line so as not to interfere with the safety, convenience, or health of the abutters or residents.** All containers must be serviced at intervals to eliminate overflowing. It is the responsibility of the property owner or agent being serviced for the placement and maintenance of the container(s) including short-term durations and to maintain the area free of odors, rodents, flies, insects, scattered garbage and debris, overflowing, liquid runoff, nuisances, and other materials deposited at the site of the container.

*Payment shall accompany application with a check or money order payable to the "Town of Tewksbury."*
