Meeting Motions / Actions and Summary of Discussions:

Battery Update: Since last meeting Loretta and Sandy packaged and shipped three boxes of batteries. Currently the drop off box is full. Loretta will move some batteries out of the box and put them underneath the cabinet to neaten up the area.

Financial Report: Loretta requested financial report and believes it was sent but hadn't had an opportunity to retrieve and review it. Committee agreed that the only thing purchased to date were bags for Zero Waste Day so the balance is probably around \$400.

Events and Goals for 2015-2016:

Jae reported that Mailing and More in Wilmington does collect Styrofoam peanuts and bubble wrap at no charge.

Clean Basin Campaign: Following discussion it was agreed that this item would be added to the information part of the calendar as a public service announcement as It really isn't a recycling item.

Trash and Recycling Calendar: Sandy reported that the printer wants changes in e-mail and they will make the changes and send us a draft copy to review. Hopefully Sandy will have something by next meeting.

Correspondence Action: Loretta reported she received the usual e-mail queries.

ZWD Results: Loretta said she doesn't have an official count yet bur the event went smoothly; 502 cars and possibly a new vendor for next year (Junk Depot). Greg offered photos that he took at ZWD.

New Business: Festival of Trees – Loretta reported we are all set and she will put up the tree. Media presence – Loretta reported that the Committee has discussed this in the past and felt that there should be at least a Committee update each season. Any committee member interested in taking this on?
