

Knockers For New England

Do you love to knit or crochet? If so, join us on

Wednesday June 8th, 9:00-11:00am

Knockers for New England is a group that knits/crochets prosthetic breasts for women who have undergone mastectomies/lumpectomies. Lowell General Hospital Cancer Center is placing them in the take home bags for women who have had recent surgeries as well as giving them to patients who are coming in for follow ups.

They are looking for volunteers to help knit more Knockers!

A member from the group will bring the patterns & yarn, as well as the cards that get attached to the knockers when they go (see right).

We hope to see you there!
