Department of Criminal Justice Information Services Municipal Civil Fingerprinting Policy for Municipal Licensing Applicants

GENERAL CONSIDERATIONS AND GUIDELINES

As authorized by Massachusetts General Laws Chapter 6, Section 172 B½, this community requires applicants for certain municipal licenses to submit to fingerprinting by the Police Department. That statute authorizes the Police Department to conduct criminal record background checks based on such fingerprints and the municipal licensing authority to consider the results of such background checks in determining whether or not to grant a license. This policy does apply to license renewals and transfers.

The state law also authorizes the Massachusetts State Police, the Massachusetts Department of Criminal Justice Information Systems (DCJIS), and the Federal Bureau of Investigation (FBI), as may be applicable, to conduct fingerprint-based state and national criminal record background checks, including of FBI records, on such license applicants at the request of the Police Department.

Municipal licensing authorities may utilize the results of fingerprint-based criminal record background checks for the sole purpose of determining the suitability of the license applicants. The licensing authority may deny an application for a license on the basis of the results of a fingerprint-based criminal record background check if it determines that the results of the check render the subject unsuitable for the proposed occupational activity. The licensing authority shall consider all applicable laws, regulations and municipal policies bearing on an applicant's suitability in making this determination. The Police Chief shall periodically check with the Executive Office of Public Safety and Security ("EOPSS") which has issued an Informational Bulletin which explains the requirements for town by-laws or city ordinances and the procedures for obtaining criminal history information, to see if there have been any updates to be sure the municipality remains in compliance.

Applicability

This policy is applicable to the civil fingerprinting process for the state and national criminal history screening of applicants for the following municipal licenses:

1. Hawking and Peddling or other Door-to-Door Salespeople
2. Manager of Alcoholic Beverage License
3. Owner or Operator of Public Conveyance
4. Dealer of Second-hand Articles
5. Pawn Dealers
6. Hackney Drivers
7. Ice Cream Truck Vendors

Authority

This policy is promulgated in accordance with 28 CFR 20.33(a)(3), Public Law 92-544, M.G.L. c. 6, § 172B ½, and Town of Tewksbury By-Law Chapter 5.09 Civil Fingerprinting Criminal History Check Authorization.

The civil fingerprinting process for municipal licensing applicants is also subject to the “Massachusetts Department of Criminal Justice Information Services Policies and Procedures for Civil Fingerprinting for Municipal Licensing Applicants.”

Schedule of Fingerprint Collection

Licensing applicants may appear at Tewksbury Police Department, located at 918 Main Street, for fingerprint collection with the Licensing Officer Monday through Friday during regular business hours.

Verification of Identification

Before being fingerprinted, all licensing applicants are required to present government-issued identification. A licensing applicant’s fingerprints will not be collected until his or her identity has been verified. The following forms of identification will be accepted:

1. Driver’s License, Instruction Permit, or I.D. Card issued by any U.S. State, U.S. Territory and District of Columbia.
2. U.S. Armed Forces I.D. Card (Encrypted signature acceptable)
3. Official Passport

Databases to be Searched

All licensing applicants’ fingerprints will be searched against the Automated Fingerprint Identification System (AFIS) fingerprint database which is maintained by the Massachusetts State Police and the Federal Bureau of Investigation’s (FBI) Integrated Automated Fingerprint Identification System (IAFIS) fingerprint database.

Consent

All licensing applicants must consent to the collection and submission of their fingerprints for the purposes of conducting state and national criminal history screening by completing the “Civil Fingerprinting Consent Form”. Consent forms will be retained for at least one year but for no longer than three years.

Payment of Fingerprinting Fees

Fingerprinting fees include federal, state, and local fees. Before being fingerprinted, all licensing applicants must pay the statutory fingerprint fee of thirty dollars (\$30.00) with a money order or bank check payable to the "Commonwealth of Massachusetts". Licensing applicants must also pay the municipal fingerprint fee of seventy dollars (\$70.00) with a money order or bank check payable to the "Town of Tewksbury". In addition to a signature, the money orders or bank checks shall include the name of the applicant hand-printed in block letters.

Storage of Fingerprint-Based State and National Criminal History Information

Fingerprint-based state and national criminal history record information shall not be retained or stored except for the purpose of allowing an applicant the opportunity to challenge the criminal history record. During the challenge stage, the fingerprint-based state and national criminal history record information shall be stored in a secure location and access to the information shall be restricted to authorized personnel.

Handling of Fingerprint-Based State and National Criminal History Information

Fingerprint-based state and national criminal history record information will only be handled and reviewed by authorized personnel in a secure area, out of the view of the public and of all other unauthorized individuals.

Destruction of Fingerprint-Based State and National Criminal History Information

When fingerprint-based state and national criminal history information is no longer needed, it shall be destroyed by the licensing authority by burning, shredding, or other method, rendering the information unreadable.

Correcting Fingerprint-Based State and Nation Criminal History Information

All licensing applicants have the right to challenge the information contained within a fingerprint-based state or national criminal history record response. In order to change, correct, or update criminal history record in question, the licensing applicant must follow the procedures listed below:

If, after reviewing his/her identification record, the subject thereof believes that it is incorrect or incomplete in any respect and wishes changes, corrections or updating of the alleged deficiency, he/she should make application directly to the agency which contributed the questioned information. The subject of a record may also direct his/her challenge as to the accuracy or completeness of any entry on his/her FBI record to the FBI, Criminal Justice Information Services (CJIS) Division, ATTN: SCU, Mod. D-2, 1000 Custer Hollow Road, Clarksburg, WV 26306. The FBI will then forward the challenge to the agency which submitted the data requesting that agency to verify or correct the challenged entry. Upon the receipt of an official communication directly from the agency which contributed the original information, the FBI CJIS Division will make any changes necessary in accordance with the information supplied by that agency.

Each applicant will also be provided with a copy of the "FBI Procedure for Changing, Correcting or Updating a Record."
